The Raven Course
Sandestin, FL

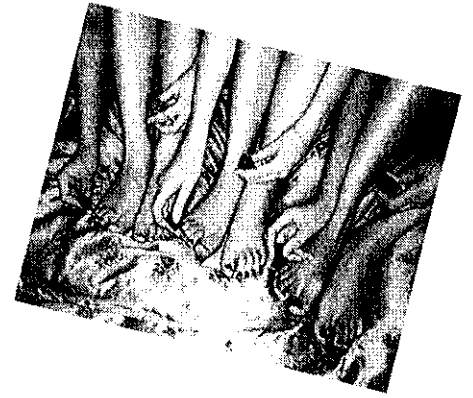

Masterfully carved through the marshes, wetlands and pine trees of Sandestin, Robert Trent Jones Jr. crafted this unique and visually stunning par 71 layout into what he calls "a true modern traditional." The Raven was voted "Best New Course in Florida in 2000" by Florida Golf News, host of the Champions Tour in 2006-2007, hailed with 4 1/2 Stars by Golf Digest in 2006 and 2008, and named "#14 in Florida" by Golf Magazine. This is where you can elevate your game on a course that presents an exciting array of shot options set-up by dramatic changes in color and texture, such as the large, undulating greens that make club selection an essential part of each round. Raven Golf Club plays from 5,060 to 6,931 yards and offers four sets of tees.

NOTE: Teams will be assigned prior to play.
